

GRAIN HOUSE RESTAURANT

The acclaimed Grain House Restaurant is located at the Olde Mill Inn just a few steps from the hotel. You can dine in the unique historic ambiance of the restaurant or order from the extensive "Inn Room" Room Service Menu to have your meal conveniently delivered.

In addition to our menu,
our Executive Chef John Benjamin offers
creative daily specials.

The Grain House offers two enjoyable dining experiences in the Childs Dining Room or in the Coppertop Pub. Both feature cozy fireside dining in winter, and seasonal patio dining is also available in spring, summer and autumn. If your hotel stay is on a weekend, the Grain House has an à la carte brunch/lunch menu on Saturdays, and a sumptuous buffet brunch is available every Sunday from 10 am – 2 pm.

If you are traveling with a group, you can also arrange for private dining with a special menu. Please call 908-221-1150 for reservations or group dining. Reservations can also be made on [OpenTable.com](https://www.opentable.com).
